

## EDIFICIO INPROMAX

Edificio Inpromax (The Inpromax Building) is in a wonderful location in Velez-Málaga; only four minutes from the beach and surrounded by all the amenities.

A development of 39 apartments, of 1, 2 and 3 bedrooms, all with their own parking space included.

The apartments are all built to the highest specifications using the best materials.

The apartments have pre-installed air-conditioning in the living room and the bedrooms. There are marble floors and doors made from oak wood. There are two entrances to the building, with lifts which serve from the parking area to all the floors.
